#### **ROSE TREE MEDIA SD**

308 N Olive St

Comprehensive Plan | 2022 - 2025

\_\_\_\_\_

### **MISSION STATEMENT**

Students are the focus of the Rose Tree Media School District learning community. All students will reach their intellectual, emotional, social, and physical potential in a safe environment that celebrates diversity, individual talents and efforts, and promotes collaboration, caring, respect, and leadership. Students will be well prepared to create meaningful and productive lives in a global society.

### **VISION STATEMENT**

All member of the school community are lifelong learners committed to continuous improvement, who contribute to a diverse yet globally connected world. All members of the school community are able to use technology to extend, enhance, and facilitate learning and develop other 21st Century Skills. All community stakeholders are dedicated to ensuring that students acquire the knowledge and skills necessary to enhance and fully develop their unique potential.

### **EDUCATIONAL VALUE STATEMENTS**

#### **STUDENTS**

Each child has unique learning needs. All student can learn and be successful. Schooling should address the needs of the whole child.

#### **STAFF**

Each child has unique learning needs. All student can learn and be successful. Schooling should address the needs of the whole child. Our success requires the collaborative support of the entire community. Each member of our school community deserves mutual respect in a safe and healthy environment. The ability to persist in the face of challenges should be fostered in all the facets of the life of the school.

#### **ADMINISTRATION**

Each child has unique learning needs. All student can learn and be successful. Schooling should address the needs of the whole child. Our success requires the collaborative support of the entire community. Each member of our school community deserves mutual respect in a safe and healthy environment. While the district maintains fiscal responsibility, decisions should be driven by students' needs and interests. The ability to persist in the face of challenges should be fostered in all the facets of the life of the school.

### **PARENTS**

Each child has unique learning needs. All student can learn and be successful. Schooling should address the needs of the whole child. Our success requires the collaborative support of the entire community. Each member of our school community deserves mutual respect in a safe and healthy environment. While the district maintains fiscal responsibility, decisions should be driven by students' needs and interests. The ability to persist in the face of challenges should be fostered in all the facets of the life of the school.

### **COMMUNITY**

Each child has unique learning needs. All student can learn and be successful. Schooling should address the needs of the whole child. Our success requires the collaborative support of the entire community. Each member of our school community deserves mutual respect in a safe

and healthy environment. While the district maintains fiscal responsibility, decisions should be driven by students' needs and interests. The ability to persist in the face of challenges should be fostered in all the facets of the life of the school.

# **OTHER (OPTIONAL)**

# **STEERING COMMITTEE**

| Name                | Position         | Building/Group                  |
|---------------------|------------------|---------------------------------|
| Bill Dougherty      | Administrator    | Rose Tree Media School District |
| Frances Garner      | Administrator    | Rose Tree Media School District |
| Andrew Coonradt     | Administrator    | Rose Tree Media School District |
| Ed Roth             | Administrator    | Penncrest High School           |
| Bob Salladino       | Administrator    | Springton Lake Middle School    |
| Julia Friedgen      | Staff Member     | Indian Lane Elementary          |
| Gina Kokoska        | Staff Member     | Glenwood Elementary             |

|                     |                  |                                 |

# **ESTABLISHED PRIORITIES**

| Priority Statement  | Outcome Category  |
|---|---|
| Build collective efficacy through Professional Learning Communities that are focused on a lear, apply, and reflect model for building highly effective instructional practices that support student learning outcomes and lead to continuous improvement. | Essential Practices 1: Focus on Continuous Improvement of Instruction Professional learning |
| Implement instructional practices and learning experiences which reflect a contemporary model of teaching and learning.   | Essential Practices 1: Focus on Continuous Improvement of Instruction                       |
| Ensure all students graduate with the skills, knowledge and attitudes to pursue productive and satisfying lives.  |   |
| Provide programs to strengthen the social, emotional, and physical wellness of students and staff   |   |

# **ACTION PLAN AND STEPS**

# **Evidence-based Strategy**

Understanding by Design

## Measurable Goals

| Goal Nickname     | Measurable Goal Statement (Smart Goal)   |
|-------------------|--|
| Standards Aligned | The district will establish a system that fully ensures consistent implementation of standards aligned curricula |
| Curricula         | and assessment across all schools for all students, through the development of Understanding by Design           |
|                   | curricula documents for all courses K-12.  |

| Action Step  | Anticipated<br>Start/Completion | Lead Person/Position                      | Materials/Resources/Supports<br>Needed |
|--|---------------------------------|---|--|
| Recruit teachers to review/revise/develop standards aligned curricula based on the Understanding by Design (UbD) process | 2022-07-04 -<br>2024-09-09      | Supervisor of Curriculum & Instruction    | None                                   |
| Provide professional development to teachers on the UbD process and the district system for curriculum development       | 2022-08-01 -<br>2024-10-18      | Supervisor of Curriculum & Instruction    | UbD training presentations             |
| Check in with teachers twice during the development process to answer questions and evaluate progress.                   | 2022-09-30 -<br>2025-04-30      | Supervisor of Curriculum and Instruction  | none                                   |
| Review and evaluate UbD course documents.  | 2022-12-05 -<br>2025-06-30      | Supervisor of Curriculum and Instrucrtion | none                                   |

## **Anticipated Outcome**

All courses in all buildings with fully developed standards aligned curriculum in the UbD format. This will be accomplished by groups of 15-20 teachers at a time over the three year period.

## **Monitoring/Evaluation**

Two check ins per each group of teachers final evaluation upon completion of the documents.

## **Evidence-based Strategy**

**Professional Learning Options** 

### **Measurable Goals**

| Goal Nickname                 | Measurable Goal Statement (Smart Goal)  |
|-------------------------------|---|
| Professional learning options | The professional development committee will create a series of professional learning options for teachers on contemporary models of teaching and learning, including pedagogy and practice. |

| Action Step  | Anticipated<br>Start/Completion | Lead<br>Person/Position                        | Materials/Resources/Supports<br>Needed |
|--|---------------------------------|--|--|
| Establish and maintain a professional development committee made up of teachers and administrators from all levels.  | 2022-09-06 -<br>2025-06-30      | Assistant<br>Superintendent                    | None                                   |
| Survey district teachers regarding professional development topics. In<br>the survey teachers will be asked to rate each topic in terms of interest<br>and need. | 2022-08-22 -<br>2022-09-30      | Supervisor of<br>Curriculum and<br>Instruction | google form survey                     |
| Facilitate discussion with the professional development team to plan   | 2022-09-30 -                    | Assistant                                      | Survey results                         |

| Action Step  | Anticipated Start/Completion | Lead Person/Position        | Materials/Resources/Supports<br>Needed |
|--|------------------------------|-----------------------------|--|
| out topics and methods of professional development based on the survey responses and various district needs.   | 2022-11-30                   | Superintendent              |  |
| Organize specific professional development options based on the survey results and district initiatives.   | 2022-11-01 -<br>2022-12-30   | Assistant<br>Superintendent | None                                   |
| Provide professional development with the goal of providing teachers choice while at the same time meeting obligations of local and state requirements | -                            | Assistant<br>Superintendant | None                                   |

### **Anticipated Outcome**

Provide meaningful professional development throughout the school year for the teaching staff that meets their criteria for need and interest, as well as district initiatives.

### **Monitoring/Evaluation**

During regular meetings of the professional development committee the there will be a review of data from recent in-service days. At the end of each school year there will be an overall evaluation of the effectiveness of that year's professional development.

### **Evidence-based Strategy**

Curriculum/Instructional Review

#### Measurable Goals

| Goal Nickname     | Measurable Goal Statement (Smart Goal)   |
|-------------------|--|
| Standards Aligned | The district will establish a system that fully ensures consistent implementation of standards aligned curricula                                 |
| Curricula         | and assessment across all schools for all students, through the development of Understanding by Design curricula documents for all courses K-12. |

| Action Step  | Anticipated<br>Start/Completion | Lead Person/Position                   | Materials/Resources/Supports<br>Needed     |
|--|---------------------------------|--|--|
| At the beginning of the school year grade and subject level teams and PLCs will review the UbD curriculum for their courses in terms of time frame, sequence, differentiated learning activities and common assessments. | 2022-08-25 -<br>2025-06-14      | Supervisor of Curriculum & Instruction | UbD formatted curriculum documents         |
| Unit review - at regular intervals as units are completed PLCs will meet to review common assessment results and effective instructional practices used as determined by data from the common assessment                 | 2022-09-16 -<br>2025-06-13      | Curriculum<br>Coordinators             | UbD formatted units and common assessments |
| At the end of each year grade and course level teams of teachers as PLCs will review their course as a whole and make adjustments for future years.  | 2023-05-01 -<br>2025-05-30      | Curriculum coordinators                | UbD formatted units and common assessments |

## **Anticipated Outcome**

Teams of teachers will regularly review their curriculum documents and work to improve alignment

## **Monitoring/Evaluation**

At the end of each school year the teams will evaluate courses, scope & sequence, common assessments, and instructional practices.

\_\_\_\_\_

# **Evidence-based Strategy**

Differentiated Instruction

## **Measurable Goals**

| Goal Nickname            | Measurable Goal Statement (Smart Goal)  |
|--------------------------|---|
| Instructional Technology | Integrate innovative, rigorous and engaging instructional technology throughout the K-12 educational program. |

| Action Step  | Anticipated Start/Completion | Lead<br>Person/Position                        | Materials/Resources/Supports<br>Needed |
|--|------------------------------|--|--|
| Contract with Teaching Learning Succeeding (TLS) to continue professional development in Differentiated Instruction at Springton Lake MS | 2022-08-01 -<br>2022-08-31   | Assistant<br>Superintendent                    | None                                   |
| TLS provides professional development on a scheduled basis to different groups of MS teachers on differentiated instruction              | 2022-09-06 -<br>2023-06-15   | Supervisor of<br>Curriculum and<br>Instruction |  |
| TLS provides instructional coaching to different groups of MS teachers on differentiated instructional practices.                        | 2022-10-03 -<br>2023-06-15   | Supervisor of<br>Curriculum and<br>Instruction |  |
| Evaluate data from teacher feedback, observations, and assessments   | 2023-06-15 -                 | Assistant                                      |  |

| Action Step   | Anticipated<br>Start/Completion | Lead Person/Position | Materials/Resources/Supports<br>Needed |
|---|---------------------------------|----------------------|--|
| to determine effectiveness of differentiated instruction professional | 2023-07-31                      | Superintendent       |  |
| development and coaching.   |                                 |                      |  |

### **Anticipated Outcome**

Participating middle school teachers will consistently use differentiated instructional practices to meet the different needs of their students.

### **Monitoring/Evaluation**

Implementation will be monitored through coaching and observation, and administration will evaluate effectiveness through teacher feedback, as well as observation and assessment data.

## **Evidence-based Strategy**

Planned Instructional Enrichment

#### Measurable Goals

| Goal Nickname            | Measurable Goal Statement (Smart Goal)  |
|--------------------------|---|
| Instructional Technology | Integrate innovative, rigorous and engaging instructional technology throughout the K-12 educational program. |

| Action Ston | Anticipated      | Lead            | Materials/Resources/Supports |
|-------------|------------------|-----------------|------------------------------|
| Action Step | Start/Completion | Person/Position | Needed                       |

| Action Step  | Anticipated<br>Start/Completion | Lead<br>Person/Position                        | Materials/Resources/Supports<br>Needed |
|--|---------------------------------|--|--|
| Recruit teachers at different elementary and middle school levels to research and develop enrichment options for mathematics   | 2022-07-01 -<br>2024-08-31      | Assistant<br>Superintendent                    |  |
| As a component of contracted summer work select teachers representing elementary and middle school levels will receive an initial overview on best practices for enrichment as well as the project parameters. | 2022-06-16 -<br>2022-07-15      | Supervisor of<br>Curriculum and<br>Instruction |  |
| Teachers will research and develop enrichment resources aligned to curriculum and instructional programs for math at different grade levels.   | 2022-07-11 -<br>2024-08-31      | Supervisor of<br>Curriculum and<br>Instruction |  |
| Teachers will provide professional development/coaching to their colleagues on the enrichment resources developed over the summer months.  | 2022-08-24 -<br>2024-08-31      | Supervisor of<br>Curriculum &<br>Instructrion  |  |

## **Anticipated Outcome**

Teachers will use a variety of standards aligned enrichment activities to meet students instructional needs.

## **Monitoring/Evaluation**

There will be regular walk through of classrooms to specifically look for use of enrichment activities to differentiate instruction.

# **Evidence-based Strategy**

Data informed planning

## **Measurable Goals**

**Goal Nickname** 

Measurable Goal Statement (Smart Goal)

| Action Step   | Anticipated Start/Completion | Lead<br>Person/Position                           | Materials/Resources/Supports<br>Needed |
|---|------------------------------|---|--|
| Data review of the enrollment in rigorous courses of study, specifically looking at numbers of students from various under represented subgroups  | 2022-09-15 -<br>2022-11-30   | Supervisor of<br>Curriculum<br>and<br>Instruction |  |

### **APPROVALS & SIGNATURES**

### **Assurance of Quality and Accountability**

As Chief School Administrator, I affirm that this LEA Level Plan was developed in accordance, and will comply with the applicable provisions of 22 Pa. Code, Chapters 4, 12, 14, 16 and 49. I also affirm that the governing board reviewed the LEA Level Plan, as indicated in the attached official Board minutes and the contents of the plan are true and correct. Finally, I affirm that the plan was made available for public inspection and comment for a minimum of 28 days prior to approval by the school's governing board and submission to the Department.

### ADDENDUM A: BACKGROUND INFORMATION TO INFORM PLAN

#### **Strengths**

Elementary schools achieving 20% + higher rate of proficiency than the state average on Math PSSAs

Springton Lake Middle School achieving 26% higher rate of proficiency than the state average on the ELA PSSAs

High school met or exceeded the state levels of proficiency for Literature and Algebra I for ethnic subgroups and economically disadvantaged students.

At Springton Lake Middle School the different ethnic subgroups and Economically Disadvantaged met or exceeded the state averages for ELA proficiency.

Students with IEPs in grade 8 exceeded the state standard for growth in Math in 2021.

Students with IEPs in grades 7& 8 exceeded the state standard for growth in ELA in 2021.

Economically Disadvantaged students met or exceeded the state standard for growth in ELA in grades 5-8 in 2021

Establish and maintain a focused system for continuous

#### Challenges

Middle school math achievement shows a 53% proficiency rate for 2018-19 school year.

Middle school Math proficiency is at 17% for 2018-2019 for special education subgroup

With the Elementary level special education sub group Math and ELA proficiency is below 30% in 2018-19.

Students with IEPs had a math proficiency rate of 12.5% in 2021

Students with IEPs did not meet the standard for growth on the Literature Keystone

Economically Disadvantaged students did not meet the state standard for growth on the Algebra I Keystone

Economically Disadvantaged students did not meet the state standard for growth on the Literature Keystone

Foster a vision and culture of high expectations for success for all students, educators, and families \*

Conditions For Leadership Not Yet Evident Emerging Operational

#### **Strengths**

improvement and ensure organizational coherence \*

Recruit and retain fully credentialed, experienced and highquality leaders and teachers \*

District focus to reduce the number of students educated in other settings. Instructional teams meet to review student performance and focus interventions to address student needs.

81.2% of students in the class of 2022 met the career standards benchmark.

Fall 2021 MAP assessment shows 9th grade Reading proficiency at 90.3%

Winter 2022 MAP assessment shows 3rd grade Reading proficiency at 82.5%

Winter 2022 MAP assessment shows 5th grade Math proficiency at 93.9%

Winter 2022 MAP assessment shows 3rd grade Math proficiency at 79.4%

Most recent Biology keystone results show Rose Tree Media School district students at 93.9% proficiency.

Winter CDT results show significant majority of students

#### Challenges

Exemplary Allocate resources, including money, staff, professional learning, materials, and support to schools based on the analysis of a variety of data \*

81.2% of students in the class of 2022 met the career standards benchmark.

Mid year (2021-22) DIBELS proficiency 64.3% for Kindergarten.

Winter 2022 MAP assessment shows 8th grade Reading proficiency at 79%

Winter 2022 MAP assessment shows 4th grade Math proficiency at 63.3%

Winter 2022 MAP assessment shows 6th, 7th & 8th grade Math proficiency at 49.8%, 50.8%, and 43.7% respectively

Class of 2023 had less than 50% participation on the Biology keystone exam.
