GEOGRAPHY AND CIVICS OF AMERICA

Answer the following questions in your groups.

1. What factors related to your region would attract people to it?

2. Would you classify your region as more URBAN or RURAL? Why?

3. Rank the four regions according to how desirable your group views them. For example, whichever regions you think is most desirable, give it a 1, next most desirable a 2, and so on…

Open your book to page 1139 to answer the next few questions.

1. How many electoral college votes does the state you chose have?

2. How many electoral college votes does the region in which your state is located have?

3. How many total electoral college votes are there in the USA?
