## PROJECT GOALS

To develop a comprehensive master plan for RTMSD's athletic fields and outdoor facilities at Penncrest HS, Springton Lake MS and Indian Lane ES that will:

- *Identify the proper number of fields and facilities needed to accommodate current and future athletic programs.*
- *Identify design concerns with RTMSD facilities.*
- *Account for equity amongst facilities, in accordance with Title IX.*
- *Identify potential safety issues with the fields and facilities and establish budgets to address those items.*
- *Establish a phased approach to the recommendations.*

## RTMSD ATHLETIC FIELDS STUDY

### ELASPORT BASIC SCOPE of SERVICES

1. Have the outdoor athletic facilities planned to address future needs
2. Look at ways to best improve facilities to benefit the students and community to the fullest. This will include both short and long-term improvements.
3. Identify the need for infrastructure to support future improvements.
4. Prioritize improvements based on shortfalls in general conditions and demand of usage of facilities.
5. Develop costs and timelines for the work.
