

MISS PINSLEY'S 5TH GRADE CLASS

FROM THE PRINCIPAL

We had another great week here at Glenwood... we really appreciate the ongoing support of our families. A quick reminder, please ensure your student comes to school with a water bottle and an extra mask. With this unseasonably warm weather, these two items have been used a great deal!

Feel free to contact me at 610-627-6901 or ebucci@rtmsd.org if you have any questions or concerns.

MESSAGES FROM THE PTG:

MEMBERSHIP TOOLKIT SIGN UP

Don't forget to update the Membership Toolkit with the new teacher info.

<https://glenwoodptg.membershiptoolkit.com>

If you are new to Glenwood (or never got an account before), membership toolkit is where you can find contact info for all of your child's classmates (you choose what parts to share) and announcements. PTG newsletters and information come from here. There is a calendar on there and lots of helpful links. Your class homeroom reps (formerly homeroom parents) will use this to communicate about class parties and teacher gifts. And, when there are things to purchase for school (tickets to events, spirit wear) you will be able to pay online.

WAWA

Wawa hoagies are great for when you are on the run or want to give a token of appreciation for your favorite coach or bus driver. You can buy packs of coupons for shorti hoagies here and Glenwood gets a portion of the sale! They never expire and are great to just keep in the car for when you are in a rush. They come in packs of 5 and 10, and the coupons are \$5 each. You can buy them on Membership Toolkit!
