An accurate count is crucial to Delaware County.

It's important.
It's safe.
It's easy.

EVERY PERSON NEEDS TO BE COUNTED.
The 2020 Census:
Every 10 years, the United States Constitution requires a count (or “census”) of all people. The next census will be held on April 1, 2020.

It’s IMPORTANT!
An accurate count is crucial to Delaware County.

Every person counted equals about $2,000 of federal funding to fund programs and services vital to Delaware County including health care, education, and emergency services.

Local government officials use the census to ensure public safety and plan new schools, hospitals, and roads.

The results determine how many seats in Congress each state gets.

Businesses use census data to decide where to build factories, offices, and stores—which leads to the creation of jobs.

Real estate developers and county planners use the data to plan new homes and improve neighborhoods.

It’s SAFE!
Your information is confidential.
Federal law protects your census responses.

By law, your information cannot be shared with immigration enforcement agencies, law enforcement agencies, or be used to determine your eligibility for government benefits.

It’s EASY!
By April 1, 2020, every home will receive an invitation to participate in the 2020 Census.

You will have three options for responding:
- Online
- By phone
- By mail
